It isn't as had though in Webb City where they only have 53 directors. Burnum's suspension is regretted by the Webb City fans who are censuring the management for its action.

these days, and when the word "Kansas" is whispered into his ear he smiles indulgently.

"Sure we are going to beat them this year," he observes, "Kansas will have a great team, but I will have one which will be at least 15 to 20 per cent better than the machine we had last year. True, they beat us then, but we had the better team. The game itself showed that, and this year the score also is going to show our superiority."

Last year's team was undoubtedly the beat that "Old Mizzou" has turned out since 1895. The defeat by Kansas by a drop kick and the decisive beating by the great Iowa team were the only blots on the record. Texas had iffest time he made a rank decision.
